

Kidnapped by the Billionaire (Nine Circles)

Get lost in the deeply passionate, darkly sensual new novel from Jackie Ashenden, *Kidnapped by the Billionaire*. He kissed her the way he'd run her down, conquering her, taking her a priceless plan. An illicit attraction. Seven years ago, billionaire-turned-bodyguard Elijah Hunt lost everything he had—his family, his future—and now he wants revenge. But when he decides to kidnap the daughter of the man who ruined his life, Elijah gets a lot more than he bargained for. Violet Fitzgerald is nothing like her corrupt wealthy father. In fact, she's so disarmingly independent—and irresistible—that she just might be dangerous. And a love that's too good to be true. Violet never thought she'd feel a connection to her captor. But there's something beneath Elijah's steel-bodied exterior that makes her want to know him more deeply—and surrender to his every demand. But once Elijah's erotic fantasies become a reality—and he and Violet develop a real romantic connection—he finds himself in a quandary: Is he still the one in control? Or has Violet imprisoned him—body and soul?
