

*****AS OF JULY 2016 ALL CONTENT HAS BEEN EDITED AND NEW MATERIAL ADDED***** There is a bold mission when [Butler] puts pen to paper to grab our attention, open our hearts, and engage our imagination. Butler didn't hold back with crafting these characters from different cultures, tossing in some major adversity, and challenging them to dig deep for inner strength. At the end of the day, *Thin Love* is hearty blend for the soul. —Michelle Monkou, USA Today “Read this in one sitting! Without a doubt, my favorite dynamic of bad boy meets feisty good girl. Superb writing!” —Penelope Douglas (<http://penelopedouglas.wordpress.com/author/penelopedouglas/>), New York Times bestselling author of *Bully* and *Until You* “*Thin Love* is more than just a book. It's more than a story. It's a journey—an experience that grabs you by the gut and won't let go until it's ready to release you. And damn, what a release it is. Eden Butler nailed it.” —Lila Felix (<http://authorlilafelix.blogspot.com/>), bestselling author of *Love and Skate* “By far my favorite Eden Butler novel. Keira and Kona's chemistry is electric and leaps off the pages!” —Chelle Bliss (<http://chellebliss.com/>), USA Today Bestselling Author of the *Men of Inked* series “I felt so connected to these characters and this story that it almost felt too personal to share it with anyone. But rest assured, I will be shouting the praises of *Thin Love* and Mrs. Butler from the rooftops so that I can make sure others experience what I have.” —Lori Westhaver, Red's Book Blog (<https://www.facebook.com/RedsBooks>) “*Thin Love* is a boundary-breaking journey. Butler's pen flows thick with the many facets of life, love and the decisions you make to survive. Once you have stepped into Kona and Keira's world, nothing will protect you from the heavy emotions that Butler produces. Pure, unadulterated reading magic!” —Trish F Leger (<http://www.trishfleger.webs.com/>), Author of the *Amber Druid Series* Love isn't supposed to be an addiction. It isn't supposed to leave you bleeding. Kona pushed, Keira pulled, and in their wake, they left behind destruction. She sacrificed everything for him. It wasn't enough. But the wounds of the past can never be completely forgotten and still the flame remains, slumbers between the pleasure of yesterday and the thought of what might have been. Now, sixteen years later, Keira returns home to bury the mother who betrayed her, just as Kona tries to hold onto what remains of his NFL career with the New Orleans Steamers. Across the crowded bustle of a busy French Market, their paths collide, conjuring forgotten memories of a consuming touch, skin on skin, and the still smoldering fire that begs to be rekindled. When Kona realizes the trifecta of betrayal—his, Keira's and those lies told to keep them apart—his life is irrevocably changed and he once again takes Keira down with him into the fire that threatens to ignite them both.
