

The ultimate bachelor, Lee Drace never thought there was a woman out there who could stop him in his tracks. He only wanted three things out of life: money, power, and more money. He wasn't going to become attached to any woman who wouldn't be staying around that long. Besides, he had never met a woman strong enough to stand up to him until... Cherise Roberts hated that she was attracted to her mouth-watering brother-in-law, Lee Drace. He had been nothing but a pain in her side since his brother Zack married her sister, Traci. She tried to stay out of his way as much as possible because she couldn't let him find out her secret. She wanted him like CRAZY!! Will these two be able to overcome each other's tough exteriors to find love?
