

Liberators and Patriots of Latin America : Biographies of 23 Leaders from Dona Marina (1505-1530) to Bishop Romero (1917-1980)

Agents of change, they have been both damned and praised--but uniformly remembered as national figures. Some are revered all over Latin America. Yet most are largely unknown beyond their borders. This book makes them and their times and causes understood. The seventeen men and six women span generations and causes--Toussaint LOuverture of Haiti, Juan Pern and Eva Pern of Argentina, Jos Mart and Fidel Castro of Cuba, Dolores Jimnez y Muro and Hermila Galindo of the Mexican Revolution of 1910, Ch Guevara and nine others were passionately involved with independence and equality.
