

THIS IS A RE-RELEASE Landis was stuck. Sucked into another world, she searches for a way home. Lost she must depend on beings she has only ever read about in fairy tales. Soon, she realizes just how wrong those stories were. Even in his world it was rare to see a woman fall out the sky. Lucky saved a lass and knew without a doubt that she was the one meant for him. She wasn't from his world and he was a wanted elf bonded to a unicorn. Things could be worse, so he had a few issues to clear up. If it meant Landis staying he was willing to battle banshees, conquer trolls, and brave a giant's wrath. With a little finesse and a lot of loving, she just might be all the charm he needed.
