

Seduced By The White Tiger (BWWM Shifter Romance Book 1)

The first part of the best selling White Tiger Saga. The full box set is also available now on Amazon! Dominique is a woman on a mission. As far as she is concerned she has been assigned the simple task of picking up White Tiger shifter Gregor from the airport and dropping him off. The fact he is muscle bound and sexy as hell should not come into it or distract her from the job at hand. Gregor is a rare White Tiger shifter who has been drafted in to stop a potential war between other shifters. The fact he has the hots for Dominique's luscious and curvy body should not distract him from his important task. He knows he should really not be thinking about sex when there are lives at risk and usually Dominique is much more professional than that. However, sometimes a Tiger has to do what a Tiger has to do and for Dominique a Tiger might just be too much to resist.... Warning: This paranormal shifter romance features scenes of a sexual nature. 18+
