

Make Me Soar

Collars and Cuffs: Book Six Anyone who frequents Collars & Cuffs knows Dorian Forrester is built for pain, including Dorian himself. But everyone has it wrong. For six years, Dorians chased a feeling that remains tantalizingly out of his reach. Unteachable, Dorian can take anything and everything a Dom can throw at him. Still, its not enough. Dorian needs something more. Something he wont find at Collars & Cuffs. Dorians search takes him out of the safe environment hes known for years, out of his depth, and into a realm of deep, dark trouble. Alan Marchant has been watching Dorian with interest for a while and knows theres more to Dorian than his label of pain slut suggests. When Dorian disappears, Alan and his friend Leo set out to find him. But the disoriented young man discovered cowering in a hotel room is not the Dorian they know and love. That Dorian is shattered. Its up to Alan to pick up the pieces and show Dorian there are better ways to fly. They may be off on a new journey together, but their destination will rock them both to the core.
