

# Taking Care of Business

After a hard days work, falling in love-or lust- is the only way to unwind. From three of todays hottest romance authors-an anthology of sizzling stories about the trials and tribulations that occur when professions and passions collide. In Driven, LuAnn McLane tells the story of a hard-boiled mystery author who has writers block when it comes to sex scenes-and gets paired with a sassy romantic comedy author to come up with a very happy ending...Patricia Ryans What Happens in Vegas follows a gambler on a hot streak and the beautiful woman whos out to discover his winning secrets when they bet everything on desire...And in Brushstrokes, Toni Blake delivers with a down-on-her-luck artist who takes a job painting a tavern, only to find all the inspiration she needs in the taverns picturesque owner.
