

Come On Over (Made in Montana)

Staking her claim! Horse trainer Trent Kimball is starting to believe his family's ranch is actually cursed. Still, it's a place to recover from both his recent divorce and a humiliating professional setback. That is, until Shelby Foster shows up, looking far too fine for cowboy country, and informs Trent that she is the owner of the Eager Beaver Ranch! Shelby left everything behind to move to Montana. And she's not about to just walk away! Even if it means sharing a roof with a rude cowboy temporarily. As they wait for their papers, animosity turns into suggestive teasing. Then it becomes a sexy-sweet temptation neither can resist! Whoever produces the deed keeps the ranch. But will they lose something more important?
