This clean western christian romance finale series follows the story of an unlikely couple as they fight for the kind of love they could only imagine while trying to remain true to their faith and their long-held beliefs. In the face of danger, they have endured sorrow, pain, and loss, but together they can survive if they just hold on to love. Time and circumstance have challenged Katie and Matthews marriage in more ways than either could have imagined. However, now, they believe they can finally move past the trials that plagued them and their marriage and begin to settle into their new life peacefully and without regret. But, when new information about how they came to be together comes to light, their relationship is once again put to the test. Insecurity and jealousy soon enter into their marriage. Matthew pulls away from Katie, while she finds herself dreaming of a love that was lost. The additional strain not only tests the foundation their marriage existed on, but rattles their faith in God and in each other. As they begin to grow apart and make decisions that will alter the entire course of their lives, a near-fatal tragedy befalls Matthew, catapulting them into a dangerous web of deception, dishonor, and greed threatening to destroy what little hope remains for their marriage. Will this be the end for them? Are Matthew and Katie destined to spend the rest of their lives apart? Can their faith in God and in each other be restored?...a story of jealousy, greed, hope, marriage, loyalty, and faith to God.\*\*\*This is the finale of the Colorado Mail Order Brides series.
