

Contemporary Religious Tendencies in Korea as Reflected in a Confucian Sect (NIAS Reports)

Seeks to demonstrate that the explosion of Korea's new religions is not a modern phenomenon and, using the example of one sect, sketches the broad continuity of many aspects of Korea's religious heritage from ancient times to the present day.

NIAS. Report. series. (1. 398-3. 13X). 1 . Thommy Svensson: State Bureaucracy and Capitalism in Rural West Java.
