

Sikh Philosophy and Religion: 11th Guru Nanak Memorial Lectures

Containing the 11th Guru Nanak Memorial Lectures to Punjabi University, which were delivered in 1977 and hailed as a turning point in the study of the Sikh Gurus message, this study relates the ideas of the holy Gurus to the ideas of both Western thinkers and ancient Indian visionaries. This philosophic work expresses with clarity and precision the Sikh Gurus questions about God, immortality, and love, and the solution of active love that they promoted in response to the extreme bigotry they encountered.
