

Beloved author H. Norman Wright has a message for those who are unhappy with life: they don't have to be trapped by yesterday. No matter what negative messages readers carry from their past, this book will help them enjoy a brighter tomorrow. By combining spiritual and psychological help, Wright helps readers learn who God is, what he has done for us, and who we are as a result. He shows readers how to grab hold of God's love and forgiveness, test their dreams to bring them in line with God's plans, and overcome the daily struggles of life.
