

One Night with a Bad Boy: (A Redemption Story)

The only way to get rid of Sebastian Renzo, is give him one night. Tobin Emerson has struck out at love one too many times. On the bright side, she's got a thriving career as a vet and just enough cats at home to keep her company. When she's abducted by a hitman on a routine trip, she's sure there's no way she'll escape with her life. A fleeting moment of mercy from the vicious Sebastian Renzo is all that stands between her and her own grave. But Tobin finds Sebastian showing up wherever she is. When she demands he leave her alone, he agrees, on one condition. She spends one night with a killer. ****BONUS:** Contains an ENTIRE bonus novel, The Verboten Trilogy, at the end of the book. For bad-boy fans only!
