

Rivers Edge (Unlikely Gentlemen Book 1)

River Prescott has everything she's ever wanted except perhaps a man. The unconventional ranch-owning artist is very certain she doesn't want a husband. But sometimes she can't help wishing for a lover; especially after her new neighbor trespasses and she gets a full frontal view of his assets. Edge Grayson moves onto the rundown spread he's inherited, expecting to stay aloof from nearby town business. But between local artist, River Prescott's determination to seduce him and protecting her from a killer on the prowl, the ex-gunslinger is finding respectability a lot more dangerous than his former life of sin.
