Lauren believes her dreams have come true when she is employed to oversee the renovation of gardens belonging to the elusive billionaire Alexander Harding. She gets more than she bargained for when she arrives at the beautiful Harding estate in Monaco and falls under the gorgeous billionaire's spell. But no one is perfect, not even this dazzling billionaire, and it isn't long before Lauren realizes that Alexander Harding has a secret. Will she unravel the secrets and breakthrough Alexander's cool exterior? Or will her snooping get her into a whole world of trouble she could never have imagined? This complete collection of The Billionaires Seduction includes all three parts of the original series by Carrie Cox. (This romance contains steamy love scenes and lots of emotion.) Excerpt: He took a step closer to me, and the whole time his eyes never left my face. "What are you doing here, Lauren?" Oh, no. How did he know it was me? I tried to shrug, which wasn't easy as I still had one arm handcuffed to the chain dangling from the ceiling. I decided avoidance was my best tactic. "Maybe you could untie me before we chat." He gave me a devilish grin that made my stomach clench. "Maybe," he said. "Or then again ... maybe not." I felt a flush of heat rush through my veins. Holy crap. He was teasing me. For some reason, despite the craziness of this situation, I found that incredibly hot. He reached forward and grasped the edge of the gold mask covering my face. Gently he lifted it up. The air in the room felt cool on my exposed, burning cheeks. I bit down on my lower lip nervously as Alexander threw the mask on the floor. "How did you know it was me?" My voice sounded breathless. He gave me a long, intense look that made me hold my breath. "I would have known your body anywhere, Lauren." I couldn't reply. My head was spinning. "I imagine from the look on your face that you know exactly what this room is for." I tried to shrug again — when would I learn my lesson? Note to self — shrugging doesn't work when you are wearing handcuffs. The chain above me rattled, only drawing attention to my predicament. I looked around the room, trying to buy myself some time to think up an excuse for my presence in the club. This was not a situation I had ever had to deal with before. We were surrounded by sex toys, and I was attached to the ceiling by a pair of fluffy handcuffs on a chain. Yeah, this was definitely a first for me. ebook categories —> Romance Anthologies —> Billionaire Romance —> Romance Boxsets —> Alpha Billionaire GENRE: Contemporary Romance
