

Sleepers: The Witching Hour (Volume 1)

The Sleeper 1: Any Witch Way Cafe Christine Douglas is your average, everyday witch, just trying to eke out a living through her small coffee shop. With the exception of a little family drama, shed be the first to admit her life is pretty ordinary. Well, if you call having a voyeuristic spirit lurking about normal. The Sleeper 2: A Witch Scorned A woman scorned. That description didnt explain half of what Dr. Alexis Lexi Douglas felt. She knew she wasnt alone. In her practice shed talked with enough women to see the psychological damage caused by men and quite frankly she was tired of preaching about empowerment and ready to demonstrate a little of it, witch style.

Rat Bait: A madman transfers his victims human brain cells into rat brains to make them smarter until his procedure works too well and they escape their cages
