

Contract Pending: #3 (Savannah Martin Mysteries)

They say that absence makes the heart grow fonder, and Savannah is certainly learning the truth of that statement. It's been a month and a half since Rafael Collier left town, and although Savannah knows it would be hideously inappropriate to mention supremely stupid to miss him, she wishes he'd come back soon. His grandmother's ailing, the nurse he hired to take care of her has disappeared, and somebody is watching the house and following Savannah as she goes about the business of bringing her first real estate transaction to a close. But when Rafe comes back, things only go from bad to worse. Resident nurse Marquita Johnson is found murdered, and Metro Nashville Homicide Detective Tamara Grimaldi is asked to handle the case. It doesn't take long for her to focus her interest, once again, on Rafe. Now Savannah has to make the choice between staying safe by accepting her old flame Todd's proposal of marriage, or taking a chance on losing her heart and her life by trying to help Rafe, as the term contract pending takes on a whole new meaning. *** Contains an excerpt of Close to Home, Savannah Martin mystery #4
