

Mercer Street (American Journey Book 2)

Weeks after her husband dies in the midst of an affair in 2016, Chicago writer Susan Peterson, 48, seeks solace on a California vacation with her mother Elizabeth and daughter Amanda. The novelist, however, finds more than she bargained for when she meets a professor who possesses the secret of time travel. Within days, the women travel to 1938 and Princeton, New Jersey. Elizabeth begins a friendship with her refugee parents and infant self, while Susan and Amanda fall for a widowed admiral and a German researcher with troubling ties. Filled with poignancy, heartbreak, and intrigue, *MERCER STREET* gives new meaning to courage, sacrifice, and commitment as it follows three strong-willed souls on the adventure of a lifetime.
