Phil Oxendine knew hooking up with cowboy Landon Lundstrom would be a mistake from the very beginning, and a few years into their relationship, he finally committed to setting the younger man free so Landon can experience life...and heartbreak. The problem is, Landon's not willing to go. He may only be twenty-three, but he knows what he wants and is mature enough to demand it. At The Den, he hopes to make Phil understand that age is just a number, and while he's at it, satisfy some long-ignored cravings as well.
