Side Chick Catching Main Chick Feelings 3: Finale Why is it that the people that you love the most seem to bring you the most pain? Love aint ever been easy for Drake and Moet but just as things start to look up, Moet or better known as Moe, finds out secrets and truths that she never saw coming. Figuring that it was easier to accept them, than to fight and reject them, Moe falls in line, but that didnt stop everything from falling a part. Everyone in her circle seemed to have secrets and with nowhere to turn, Moe turns back to the one person that she hates the most; Kane. The man that often made her life a living hell was the only one left that she could depend on. But Moet forgot about one little thing. Lee Lee. Her sister wasnt letting go of her newly found good thing at least not without a fight and she was ready for war! A story filled with secrets, envy, betrayal and lies, there can only be one main chick; the other woman would have to settle for the side.
