Sexy soldier shifter Chase never thought his fated mate would be a girl like Mercy. Shes a cold-hearted, bloodthirsty assassin who just happens to inspire his wildest fantasies every moment shes in eyesight. Add a threat to her life, an overzealous guardian angel, and her murderous inclinations to the mix and Chase is basically screwed. Mercy doesnt let anyone get close, especially not sexy tiger shifters who seem too good to be true. She makes her own way in the world, and though she might need Chases help, she certainly doesnt want anything else from him. Well, maybe a night in his bed As long as he knows that shes not able to give him anything more than that, an age-old heartbreak leaving her incapable of love. As Chase and Mercy struggle to survive while resisting the undeniable heat between them, their beliefs will be tested. Nothing can be accomplished without trust, and trust means letting another person in, no matter how scarred your heart might be...
