Sebastian and Robert are trying hard to put the pain and fear of the last few days behind them by continuing on with their lives, but there is one further issue for Sebastian, Roberts ex, Leo. Deciding to take matters into his own hands and close the door on the past, Sebastian makes a drastic decision. He arranges to meet Leo without telling anyone. What seemed like a great idea at the time, turns out to be one of the worst decisions Sebastian has ever made. Unable to stop the incoming tsunami, Sebastian has no choice but to try and ride out the storm as he confronts not only Roberts past, but someone he never expected to come face to face with. Will he get the answers he has been so desperately seeking, or will the events tear him and Robert apart, forever?
