A Texas rancher will do anything to protect a woman in jeopardy and the little boy who could be his son. With the ferocity of a tigress, Kate Williams desperately fights a kidnapper trying to snatch her adopted son from her arms. When rancher Dallas O'Brien sees the skirmish, he bravely saves the infant and his lovely mother. Single and new in town, Kate accepts the handsome cowboys offer of a safe haven at his ranch. Spurred on by their Texas-sized attraction, Dallas and Kate untangle a web of lies that throws the baby's paternity into question. And Dallas wonders could he be a father? Could he be a husband? But when bullets start flying, the real question is, will he survive to find out?
