

Storm Sail - A Connie Barrera Thriller (Connie Barrera Thrillers Book 4)

Whats the worst that can happen when a sailing yacht sets out to cross 1,600 miles of open ocean? Connie Barrera and her fiance, Paul Russo, were in high spirits when they left Annapolis. All their friends would be in Martinique to celebrate their arrival. Their marriage there would be a fitting end for Diamantista IIs first offshore passage. Their voyage takes a dangerous turn when Hurricane Ian springs to life in their path. Being caught in an unpredicted hurricane tests their seamanship, but there are worse things to come. In mid-ocean with no way to communicate their plight, theyre on their own when the real trouble begins. What could be worse than a storm at sea? Read Storm Sail, the fourth Connie Barrera Thriller, and find out.
