

Supervision of Police Personnel (8th Edition)

The must-read text for criminal justice students, prospective police supervisors, and police promotional exams.

Supervision of Police Personnel, Eighth Edition, offers complete coverage of the principles and practices of police supervision for leadership training of supervisors in law enforcement and allied fields. This newly updated text explores relationships involved in individual and group management methods and the practical techniques for carrying out the various responsibilities of the police supervisor. Discussions focus on real issues faced by police supervisors in interpersonal, operational, and administrative relationships. Written by experienced police officers, the text presents time-tested content that is an indispensable resource for promotional exams.
