

The Baby is Mine (BWWM Pregnancy Romance)

Dealing with you isnt easy, Blake Adams! Youre a pain in the ass! If it werent for the money, I wouldve never agreed to do this, especially not with you! Blake: The only thing that mattered to me was having the baby that my late wife and I could never have. I shouldnt have let the surrogate agency talk me into using Tasha Williams, but she was my only option or so they said. But now, Ive got a black baby that should have been born white. Tasha may have duped me, but Im not letting her off the hook. The contract says the baby is mine and theres nothing she can do about it. Tasha: When I found the surrogate ad, all I wanted to do was make some quick bank to move into a better neighborhood with my four-year-old daughter, Nikki. Now Ive got a baby that I want, with a piece of paper that says I cant have him. But I promise he will be part of our lives contract or not. And be claimed by Blake Adams? He better not count on it. The Baby is Mine is a complete, standalone BWWM romance novel with no cliffhanger. It contains some intense, steamy scenes and is not recommended for readers under 18. What about a happy ending?
