Being a traveling lecturer wasnt always my dream, per se, it kind of just fell into my lap. It was difficult at times, but once I met Marcus Daniels, it was totally worth it. Marcus is muscular, smart, well endowed and his chocolate skin makes me drool. I was surprised when he first asked me out on a coffee date as I felt it was rather inappropriate. It didnt take long for me to realize what he wanted with me.... Marcus Daniels is an alpha male in every sense of the word. The way he controls me during sex and makes me do whatever he pleases turns me on immensely. The fact that im older than him makes it even more hot. He has so much energy and passion, sometimes I feel like hes too much man for me to handle. I even let him have me from behind and one time I went down on him in a bathroom stall.
