

Maya And The Tough Guy

Maya Bradley is on her own now. With the help of her dear friends, Zoey and Addy, she's determined to give her children the lives they deserve, away from their abusive father. But the journey is destined to be difficult, and she meets her first roadblock when she asks sexy, tattooed bar owner, Jayce Gilmore, for a job serving drinks. Jayce has two reasons for not wanting to hire Maya. One: she deserves a more respectable job. And two: he's been madly in love with her since he was a young boy. But when he finally realizes how desperate she is for work, he has no choice but to bring her on. With Maya struggling to earn a living, get an education, and raise two children, Jayce finally finds himself in a position to help her. And though she isn't interested in a relationship, Maya is showing definite signs of physical attraction. Jayce is sure he can keep his love hidden and fulfill her every fantasy. Unfortunately, he has severely underestimated the needs of his heart. As the moment of truth fast approaches, Maya must decide whether to break a tough guy's heart, or open her fragile soul to the risks that come with loving again.
