

India Landry has spent all of her adult life taking care of and protecting her sisters and their family business. She'd never really made time for anything else in her life. That was until now. Now she spent every waking moment fighting her attraction to one man, her sister's brother-in-law Giovanni Fabrizio. Gio believed that everything happened for a reason. So when he met his brother's new sister-in-law Indy, he knew that she was meant to be his. And when fate handed him a chance to work closely with the voluptuous beauty, he grabbed it with both hands. As the two of them work together in order to create an ultimate blend of flavors for a new wine. Will they fight temptation or give in to their overwhelming desires and sample A Taste of Paradise?
