

Award-winning author Angie Daniels returns with a brand new, full-length addition to her popular Beaumont series... When Debra Anderson agrees to take a three-day cruise, she has no idea she'll be rooming with NBA star Rance Beaumont until after the ship has left the dock! After they agree to share the cabin, the bakery owner decides to let loose and have fun with her sinfully sexy cabin mate. The attraction between them is so undeniably irresistible, Rance proposes a no-strings-attached weekend fling. Debra jumps at the chance, only to learn there's a lot to be said about—and done with—the oh-so-scrumptiously hot Beaumont. Rance doesn't believe in relationships—at least he didn't before he met the beautiful plus-size diva. Long after the weekend is over he still can't get Debra out of his head. Though he's convinced that the flaming heat will soon extinguish, he finds himself more hot and bothered with each passing day. Worse, his feelings are starting to overshadow his judgment on the court. Just when he's ready to risk everything, Rance discovers that Debra's been hiding something. Will the news bring him to his knees—or into her loving arms? ABOUT THE AUTHOR - Angie Daniels has released over two dozen novels.
