

The Connects Wife 7

Power-Hungry, Entitled, Dangerous are words that could possibly be used to describe Chanel Cavette. In this entry, the tables have been turned and Chanel Cavette is now sitting at the highest throne in the Underworld or so she thinks. Chanel Cavette learns to eat, sleep, and breathe for The Cartel, but is her position even real or is she being used as a decoy? Chanel digs a hole all on her own and when her perfect life comes crumbling down there is no one to point the finger at other than herself. Farren Knight is living life in London, and her children are finally healed mentally from losing so many of their loved ones in one period of time. Farren isn't interested in the business dealings of The Cartel, after not being able to ignore the warning signs for her sister's sake she moves back to the states. Farren is forced to pull out the all-black once again to ensure her family's safety and freedom. But she doesn't have to, Kool, her lifetime lover is basically begging to join The Cartel. After losing too many of her loved ones she refuses to allow him access to what she calls the dark side. Farren Knight, the woman of such high caliber, style, class and grace. The epitome of a black woman, the woman that has literally stood tall in every situation she found herself in Farren continues to reign supreme. The real meaning of family is exploited and Farren Knight is compelled to show her little sister a thing or two about loyalty and what being a woman of your word truly means. The Connects Wife saga is finally coming to an end in this explosive finale.
