

His teachings on Centering Prayer -- a path to God rooted in the Lost Christianity of medieval times -- has endeared Father Thomas Keating to many thousands of contemporary Christians. On *The Contemplative Journey*, Father Thomas teaches a brilliant synthesis of modern psychology and ancient spirituality, guiding listeners to the holy still point described in legendary Christians texts more than 600 years ago. With *The Contemplative Journey*, Father Thomas -- author of the classics *Open Mind, Open Heart*; *The Mystery of Christ*; and *Intimacy with God* -- has created a long-awaited guide to the authentic tradition of Christian contemplation. In *Centering Prayer*, he explains, the listener engages beyond thinking, beyond emotions, connecting with Gods infinitive love. Inherently and uniquely Christians, this divine therapy draws on a receptive meditation technique similar to those that have attracted many contemporary seekers to the Eastern mystical practices. *The Contemplative Journey* is the fruit of Father Thomas life as a devoted monastic, theologian, psychologist, and philosopher: a sweeping masterwork that points the way to the Christian ideal of unity with the divine. Profoundly human insights and classical spiritual, gems. -- Catholic Library World

Abbie, Book 1: *Raven Harbor Lane* (*Raven Harbor Lane, Abbie* (*Raven Harbor Romance*)), *Homeowners Insurance & Your Stuff*, *Maximize Your Quality of Life*, *The Stars over Paxos*, *My Hot Vacation: Four Steamy Escapes*, *The Neighbor from Hell Collection I* (*The Neighbor from Hell Series Book 1*), *Midnights Captive* (*Dark Warriors*),
