

## The Devils Revenge (The Devils Eyes)

The argument for my bail begins, and I lower my head until the doors behind me crash open with a thunderous roar. A vibration rushes through my body, I look up at the judge as his eyes widen and a cold silence takes hold of the room. Its him. I know its him. It can be no other. Before I can turn I whisper his name and feel the energy of him blaze up my body as if the simple whisper of his name makes it true, makes him true. As hard as I fight my own curiosity I cant stop myself, with all the assuredness in my head I still have to prove it to my own eyes. Turning, I slowly raise my head up and look upon the three gentlemen, dressed in dark suits and letting the hoods of their coats fall back and reveal expressions of pure - desired annihilation. But it is he that stands center and strong that confirms my suspicions. It is he that has caused this silence and chocked the breath out of an entire room. Its as if the air could breathe and it breathes a trembling gasp of his name, with all that laid their eyes on this sight I see. Only I breathe his name and meet his eyes whispering I knew you would come for me. Only God could save me from a certain deadly fate, and so rightfully, he sent the devil to rescue me. The sequel to *The Devils Eyes* is action packed while still maintaining the same dark romance and suspenseful tone of the first novel.
