

Connections (The Rebound Series Book 3)

The steamy conclusion to The Rebound Series is finally here. Olivia Ward's world was turned upside down the moment the sensual and demanding Alex Matlock walked through the door of her cupcake shop. And now their once-casual fling has turned into much more than either ever expected. When it comes to the game of love, they're finding that the rules are never clear, especially when Alex comes face to face with his painful past and drags Olivia right into the middle of it all. But when Olivia denies them both the very thing that brought them together, will their new love prove to be enough? Or will it bring them crashing down? Connections is the third and final installment of The Rebound Series.
