

## The Gigolos Bride (The Necklace Chronicles)

Sold into slavery.... Only one person can truly set former sex slave Eden Atarn free: his soul mate. Taken from her planet.... When Ashleigh Turner receives a beautiful necklace as a gift from a secret admirer, she has no idea who it came from. When another delivery shows up at her home, instead of finding out who sent her the necklace, she finds herself transported onto an alien spaceship as it speeds her away from earth. Will she be what he needs or find herself a slave as well.... On a planet where forced prostitution is a punishment and young adults are sold by their families for money, Ashleigh must decide if she can be what Eden needs when she comes face to face with what he once was. Will she always want to go home, or will she find that the place she longs to be most is in Edens arms?
