

The Highlanders Improper Wife

A proper young lady should never attend a Masque...Aphrodite is no lady. Betrothal to the callous Lord Blackhall painted a future devoid of love. Upon his death, Lady Caroline Wilmont is promised to the younger brother. Caroline refuses to allow her first taste of desire to be at the hands of a man who would rather have any woman but her. This, her last night of freedom, is to be a memory of lust that she can take with her throughout her loveless marriage. As Aphrodite, Caroline attends a masque determined to find a man to initiate her into the intimacies of erotic love. Taran Robertson, Viscount of Blackhall, makes no secret that he despises his obligation to marry the Sassenach heiress chosen for him by his father. As a last foray before his wedding, he attends a masque. However, the spirited vixen he meets and seduces has secrets...secrets that just may reveal he has to have an improper wife.
