

Scorpio Sons 7: Conrad

His mate is a Guild Party-Girl Will she betray him and his cause? p> Addy was never interested in her role within the upper-echelons of the Guild. Why would she be, when all they considered her good for was breeding the next generation of her illustrious line? So shed been rebelling in her own way all her life, and enjoying every minute of it. When she contracts a deadly virus and is stolen from the hospital where shed been quarantined, Addy starts to wonder whats really happening to her. Because a very hot guy with a sexy goatee and diamond earring has set her blood on fire. And whats heating up is not the pureblood she always thought she had. Its something different. And so is she. On death row at the age of fifteen, and now one of the Sons who fights to save the planet from the Guild, Conrad Sanchez is hardly the perfect match for a Guild A-Lister like Addison Jarvis. But from the first moment he heard about her - another of the Mates gestated by an unsuspecting Guild female he knew she was his. But when the harmless virus, which was supposed to remove any traces of the Guild Gene from her DNA, goes terribly wrong, he knows the only way he can save her is to claim her. And by doing that hell risk creating a Super-powered Mean Girl who might betray them all.??? Sensual RomanceFor readers who like their love stories to sizzle while remaining wholly romantic??? What readers say about the books in the Scorpio Sons series:Interesting and different take on shifters. Was hooked right from the start and the story flows so wonderfully I was halfway through the book before I knew it. M I believe this is the first book Ive read by this author and I loved it, this book is different, I loved the whole idea and the characters and the story, its a fantastic read and I cant wait for the next one. Deborah Loved this book. Had a fantastic original story, along with hot steamy scenes. I cant

wait to read the next. Not a cliff. I will reread this book. Karen from NHSo, this was a very different shifter romance than I am used to. Its almost like an even balance of human and shifter and the author did an excellent job making this realistic enough to believe. SnowbunnyScroll up and join the adventure today.
