

The Last Target (Mills & Boon Love Inspired Suspense)

The paper found in a terrorists pocket holds six names and single mom Rachel Reynolds is the only one on the list who's still alive. Private security contractor Jack Sergeant wants to ensure she stays that way, but first he must convince Rachel the danger is real. Rachel can't believe that someone's after her... until she's grazed by a shooter's bullet. She won't take chances with her son's life but she doesn't want Jack getting too close. Yet as Jack comes to care for both mother and son, the target he's after is a family to love and protect for a lifetime.
