

The Ranchers Daughter

Confident and curvy, all Evelyn Crawford is looking for is a night of fun with no strings attached. The last person she expects to see at the bar is the man she's been in love with for most of her life. All Thomas Sinclair wants is a quiet night and a cold beer. What he doesn't expect to see is Evelyn in an outfit that reveals every tempting curve. He's made a promise to Evelyn's father to protect her from men like him but this night changes everything. His resolve to keep his distance is tested by Evelyn's determination to show him exactly what he's been missing.
