

Healing

What is standing between you and a life of health and well-being? As an inspiration for all of us seeking to embrace our truth, healer and author David Elliott lays out a path for people to pursue their own healing. HEALING takes you deeper into the core issues that prevent the flow of balanced energy in the body. David combines personal stories, examples from his work, written exercises, diagrams and meditations to help the reader along the journey. This is truly a healing handbook for everyone, awakening the healer in each of us.
