

Dream Magic (The Witches of Freedom Moon Book 3)

After a mystery man enters dreamwalker Haley Parrish's head, she can't concentrate on anything but the handsome stranger. When that man turns up in the flesh, she must convince him to heed her warnings. To make matters worse, she's starting to care about him. Since his grandmother was swindled by a fortuneteller, Wes Henderson wants nothing to do with Haley's psychic gifts. But when a hidden danger threatens them both, he has no choice but to look to the supernatural for answers that could prove to be their only salvation.
