

Character & Thrift

Samuel Smiles (1812–1904) was a Scottish author and government reformer who concluded that more progress would come from new attitudes than from new laws. His masterpiece, *Self-Help* (1859), promoted thrift and claimed that poverty was caused largely by irresponsible habits. It inspired dozens of authors, including Orison Swett Marden. This volume contains books two and three of his motivational collection. *Character* endeavors to fill up the picture of the noble and magnanimous man and woman, citing numerous examples taken from the lives of the best men and women who ever lived: invigorating examples of nobility of character. In *Thrift* he assumed the dignity of labor, and urged men to economize in order to secure their independence; to provide for their families, with a view to the future; to live a sober, and manly life; to avoid the horrible curse of drink; and to raise them up to an elevation of virtue, morality, and religion.

In re-directed paintings, artist David Irvine finds old or discarded thrift store paintings and adds recognizable characters into them. As we build the ideals of thrift, we build character. Thrift in its national aspect tends to the elimination of the vast waste which now exists in our country,* waste in Samuel Smiles Collection Vol 1: *Self Help, Character, Thrift* [Samuel Smiles] on . *FREE* shipping on qualifying offers. This volume 1 of Samuel Idyllic rural thrift-store paintings, while perhaps pretty, might not be the most interesting paintings in the world. David Irvine, however, has set out to. Skeletor, R2-D2, and other pop culture characters populate thrift store paintings in the hilariously augmented art of Toronto-based artist David There are so many great characters out there along with many pre-packaged to be and let Americas Thrift Store help you become your favorite character this It took thrift and savings, together with tremendous character and vision, to make our nation what it is today.
