

## Undercover Love

ICE Agent Ryan Brew Brewster finally got the break he was looking for in his human trafficking case. But to follow the lead, he would need to go undercover into the world of the gay leather community. A world he is very familiar with; a world that would require a partner for the undercover sting. Vice Cop Rick Kendry did not look twenty eight when he was out on the streets of Tampa luring in the Johns for the Tampa Police Department. He barely looked eighteen, but that was why he was stuck in vice. That and the fact that he was openly gay made him the best candidate for the job and luckily for him, he loved undercover work. When Agent Brewster recruits him for the deep undercover Homeland Security op, Rick couldn't have been more thrilled. Little did he know that he would soon be immersed into the intricate world of leather, kink, BDSM, and human trafficking. This book contains adult sexual situations, including m/m and BDSM practices, and is intended for readers of legal age in the country in which they reside. This work has been previously published as the individual novels Not for Sale & Highest Bidder. However, several thousand words have been added.
