

Heartbreak and Honor (Highland Heather Romancing a Scot Series Book 3)

The Romance Reviews TopPick! Abducted by a band of renegade Scots, Highland gypsy Tasara Faas blackens her rescuers' eye when the charming duke attempts to steal a kiss. Afterward, Tasara learns she's the long-lost heiress Alexandra Atterberry and is expected to take her place among the elite society she's always disdained. Lucan, the Duke of Harcourt, promised his gravely ill mother he'd procure a wife by Christmas, but intrigued by the feisty lass he saved in Scotland, he finds the haut ton ladies lacking. Spying Alexa at a London ball, he impulsively decides to make the knife-wielding gypsy his bride despite her aversion to him and her determination to return to the Highlands. The adversary responsible for Alexa's disappearance as a toddler still covets her fortune and joins forces with Harcourt's arch nemesis. Amidst a series of suspicious misfortunes, Lucan endeavors to win Alexa's love and expose the conspirators but only succeeds in reaffirming Alexa's belief that she is inadequate to become his duchess. Though this book is part of a series, it is a stand-alone novel. **Be sure to check out the Castle Bride Series which inspired the Highland Heather Romancing a Scot Series.
