

Whiskeys Rebellion

Whiskey, the mischievous imp of Dodge City, thought it was bad enough for her brothers to sell their shares of her father`s ranch to their US Marshal friend, Morgan, but what was even WORSE was that those men all had it in mind that Whiskey would actually marry Morgan--this hard, firm, LARGE man she had barely met before. Morgan thought Whiskey just needed a firm hand to keep her in line, but Whiskey, who is constantly getting tied up in ridiculous, dangerous situations, is nearly impossible to control, and things get even more complicated when her twin sister comes into town, kicking up even more trouble at home. But Morgan has a dark shadow following in his path, threatening the peaceful life he meant to create with Whiskey. Will they come through this together? Or will Morgan`s past bring tragedy on everything he now holds dear?
