

You Can Be Happy No Matter What

In this revised edition, #1 New York Times bestselling author and nationally known stress-management consultant Dr. Richard Carlson reveals a profound breakthrough in human psychology. Most of us believe that our happiness depends on outside circumstances, that by solving our problems, improving our relationships, or achieving success we will find contentment. But Dr. Carlson clearly shows that happiness has nothing to do with forces beyond our control in fact, he says, it is our natural state. With this simple and practical guide, Dr. Carlson shows us how to be happy now, before we solve our problems. By understanding five principles Thought, Moods, Separate Realities, Feelings, and the Present Moment we can discover a new mode of living that doesn't repress natural emotions yet doesn't allow feelings and thoughts to overwhelm us. You Can Be Happy No Matter What is a navigational tool that gently guides readers through life's challenges and restores the joy of living.
