

A Scorching Dilemma (The Rue Alliance Book 2)

Vedams Regencies are filled with intricate whimsy. There's definitely more romance than grim in these fairytales. Emma Jane Holloway, award winning author of *A Study in Silk* a truly charming retelling of the Beauty and the Beast tale. KeeperBookshelf.com of *A Beastly Scandal...* a beautiful story filled with romance, murder, and a ghost. Paranormal Romance Guild of *A Beastly Scandal* The mystery ... will keep you on the edge of your seat. Blacklilackitty.wordpress.com of *A Beastly Scandal* He's not exactly Prince Charming ... Fire shifter Daniel Trenton has only nightmarish memories of his mysterious past. As an orphan, raised on the streets, he does not have much in the way of prospects, but he is fine with that ... until he falls in love with the daughter of a duke. Unfortunately, pursuing her would mean her social destruction. So he promises himself to leave her alone for her own good. But when her safety is threatened, Daniel has no choice but to become the hero she so desperately needs. Heiress Faith Rosemary Went always believed she would be given the choice of whom to marry. So why is her father demanding she wed a man she's never met, a man whose family terrifies her? When she resists the match, her prospective bridegroom's family kidnaps her and whisks her away to Gretna Green. Having no one to rely on, Faith sets off to rescue herself before she's ruined, or worse. Luckily, she discovers Daniel is already there. Daniel's investigation into Faith's disappearance unravels two decades of lies, multiple murders, and a fire-shifting family history that spans three centuries. His newfound discoveries put him in the position to proudly and rightfully proclaim his place in society and, more importantly, proclaim his love for Faith. But will he be able to prove the truth before Faith is forced to choose the wrong man? Once upon a time, Shereen read fantasy and

romance novels to entertain herself. Now she writes heartwarming tales braided with threads of magic and love, and mystery elements woven in for good measure. She's a fan of resourceful women, intriguing men, and happily ever after endings. If her stories whisk you away to a different realm for a few hours, then Shereen will have achieved one of her life goals.
